

Mentor Needed for

LARTAVIOUS

Sporty, fun and active 15 year old Lartavious (he/him) would love a mentor to connect with 1on1: play sports, work out, explore trails and waterways, learn to cook and bake new dishes then relax with movies, TV shows and drawing.

Looking for a mentor who...

- Is able to travel to Morgan Park/West Duluth
- Understands asthma and enjoys both eating and cooking pizza, tacos, etc.
- Is active in the outdoors, enjoys sports like football, basketball & swimming
- Can commit to at least 4 hours a month with Lartavious for at least a year

Family is open to a mentor of any gender, BIPOC or white.
